engage children in the visual arts

COLOUR ME Santa Claus PRINTABLE

This printable kit contains a blank “colour me” santas.

1. Large Santa
2. Large Santa with Merry Christmas Wording
3. 6 Small Santas

The blank “colour me” Santas can be printed onto white card or paper for little creatives to colour with crayons, colour pencils, felt pens or paint.

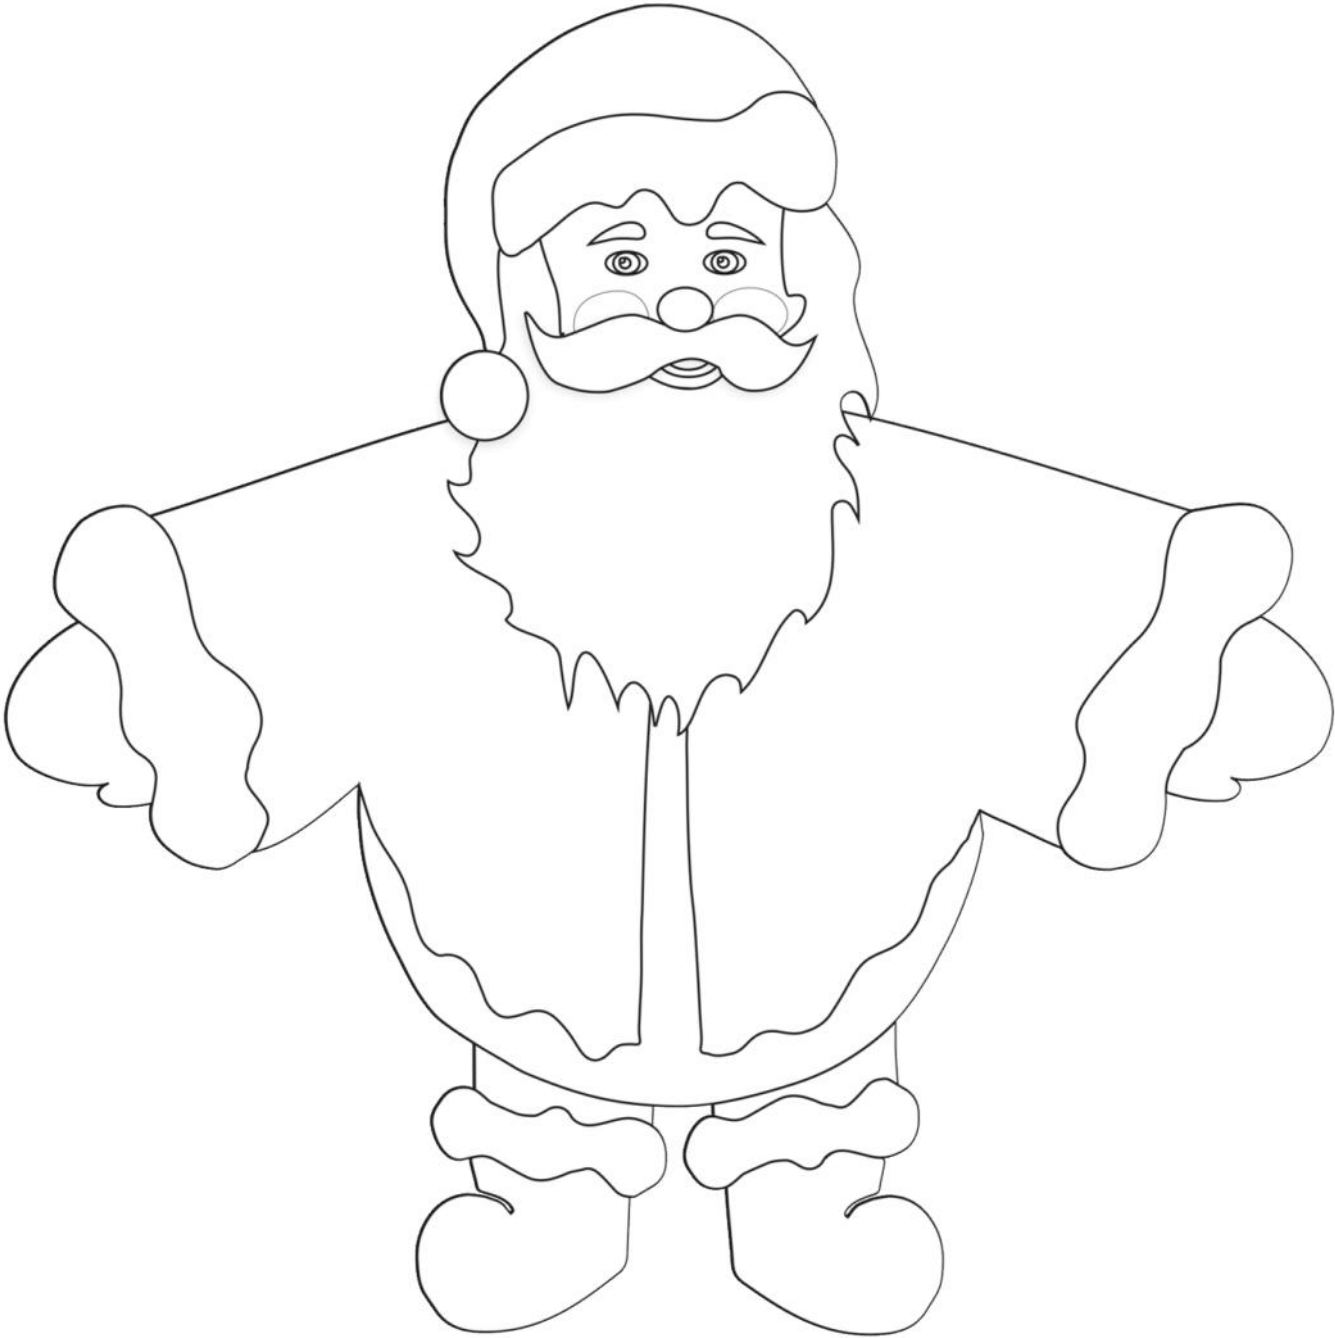

Or, it can be coloured using a computer programme such Paint.NET which is a free programme suitable for children.

It can then be carefully cut out and used for lots of creative Christmas projects. [Ideas below]

Strictly For Personal and Educational Use Only

Ideas

- This Santa printable can be used in scrapbooking, Christmas Cards, Swing Tags for Christmas gifts etc.
- Print out several and join them together to create a border right round your Christmas table or as a Santa Banner on a wall, mantel or doorway.
- Laminate large and smaller prints to be used as table and place mats
- Wrap Santa(s) around plastic cups, stubby holders etc. and glue or tape in place
- Try to make Santa sit by folding a line right underneath his arms. Write the names on Santa’s Beard and use as Place Cards for the Christmas Table. If he topples over, pop a piece of blue tac on the bottom.

MERRY CHRISTMAS
